program guide!
(good thru end of
june.)

Why did the dinosaur miss out on all the latest trends?

He was living under a rock!

Why are dinosaurs such good bowlers?

Because they always strike first!

What do you do when a dinosaur moves in next door?

One word: move!

Why are dinosaurs such good typists?

They have such a high WPM (Wroars Per Minute)!

Why was the dinosaur pixellated?

He was over-scaled!

Why did the brachiosaurus get grounded?

He didn't do his dino-chores!

Why didn't the dinosaur show up for the caveman's birthday party?

Because he was killed by the meteor many millions of years before!

Why are dinosaurs banned from movie theaters?

They always leave big shadows on the screen!

What do you do when your teacher is a dinosaur?

Find a really big apple!

Why was the triceratops considered outdated?

Because he was such a dinosaur!

What do you call twenty triceratops?

A dino-score!

What is momentum divided by mass to a dinosaur?

Veloci-raptor!

Why did the time traveler go into the future?

Because if he went to the past, he might have encountered dinosaurs!

What did the dinosaur think when he watched the hundred meter dash at the Olympics?

"I've heard of fast food before, but this is ridiculous!"

What are some of a dinosaur's favorite musicals?

Dinosaur of the Opera, Guys and Dinosaurs, The Sound of Dinosaurs, Jesus Dinosaur Superstar, Les Dinosaurs, Dinosaurs (Cats), West Dinosaur Story, STOMP!

What's the biggest difference between a house cat and a dinosaur?

I don't know, but it's a really big difference!

Why wasn't the dinosaur a very good gardener?

Although green, he didn't have a thumb!

Where is the best place to buy a brachiosaurus?

A dino-store!

Knock knock...Who's there?

A dinosaur.

Why weren't there any dinosaur history teachers?

Because they were prehistoric!

A giant redwood!

Why can't Mrs. Dinosaur sleep at night?

Her husband dino-snores!

Why aren't dinosaurs listed in the yellow pages?

Who would want to call them?!

How long was the average dinosaur lifespan?

Long enough!

What did the dinosaur movie critics rate Jurassic Park?

Two talons up!

Why are the lights always out in dinosaur houses?

Because they always blow their fuses!

What do you do if a dinosaur pokes you?

Schedule a doctor's appointment!

Why were dinosaurs such bad food critics?

Because they always ate the entire meal in one bite!

Why didn't the dinosaur like the two-buck chuck?

He was a wine connoi-saur!

What foreign policy tactic could be described as governing the relationship between the dinosaurs and the meteor?

Mutually assured destruction!

Why did the dinosaur do so well on the trivia game show?

Because he di-knows everything!

What is the Greek dinosaur equivalent of the Roman god Bacchus?

Dino-nysus!

How many neck pillows did the brontosaurus take on the plane?

There weren't enough so he didn't take the plane!

What's a dinosaur's favorite font?

Times New Roman, because it's pre-Cambrian in Microsoft Word!

Where do dinosaurs hang out with their friends?

At the local maul!

What do you call a dinosaur with a melatonin deficit?

An albinosaur!

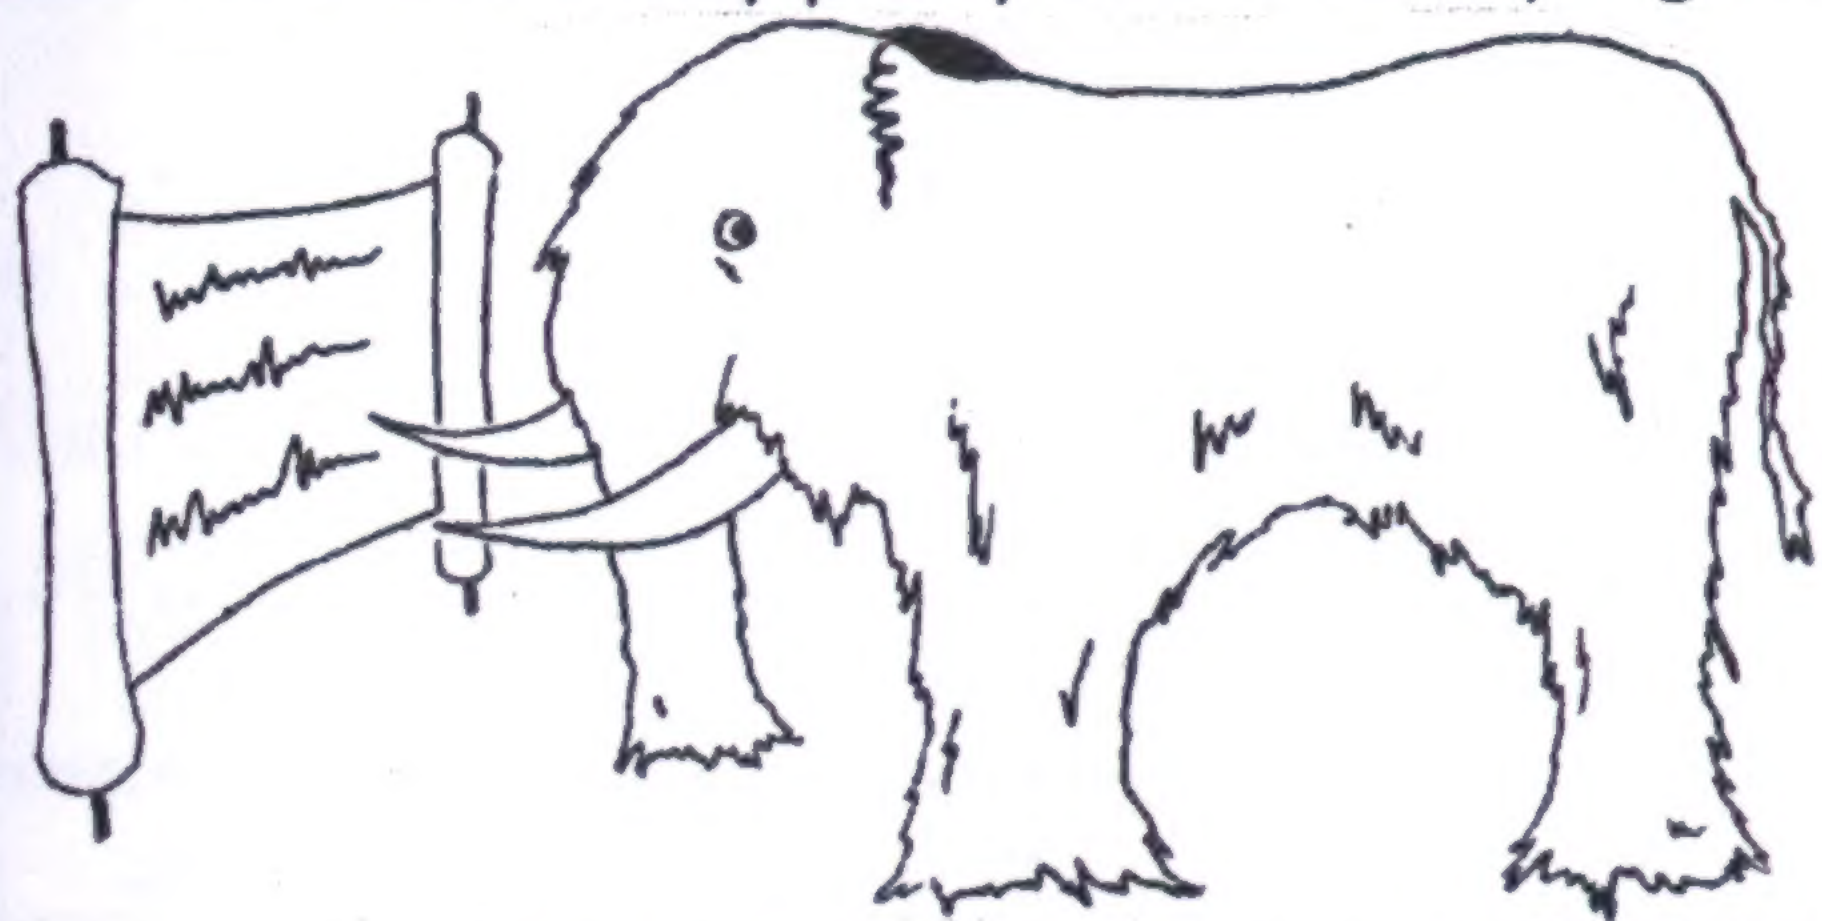

What is a dinosaur's favorite meal?

Anything with a pulse!

What did Dine the dinosaur's girlfriend say when he proposed to her?

Why couldn't the mammoth attend the dinosaur's birthday party on Saturday night?

Because it was the Woolly Sabbath!

Why is it so hard to push over a dinosaur?

They have a low center of gravity because their brains are so light!

What did the dinosaur say when he saw the meteor?

I can suddenly see my entire future laid out in front of me!

To an allosaurus, what is equivalent to 10-5 newtons?

A dyne-o-saur!

What is the name of the Dickens book about two conjoined triceratops twins?

A Tail of Two Dinosaurs!

Where did the dinosaur show off his juggling to the rest of the class?

At the talon show!

Why shouldn't you invite a dinosaur into your house?

Because he'll break your house!

What did the dinosaur say when he found that bugs had infested his house?

Oh no, dino-mites!

What did the dinosaur say to his therapist?

"I'm having doubts about my future!"

What did dinosaur dentists use to clean teeth?

Three hoses!

Why did the dinosaur attend the black-tie dinner?

It was all-you-can-eat!

Why did the stegosaurus' audience fall asleep?

He was a dino-bore!

Why couldn't the dinosaur eat ice cream?

Because ice cream is a human invention, and dinosaurs and humans never coexisted!

Why couldn't the tyrannosaurus get a date for prom?

He had clogged dino-pores!

What's the daily special called at the dinosaur café?

The Soup du Jurassic!

Where did Sally the Stegosaurus pick up sea shells?

By the dino-shore!

Why did dinosaurs live in caves?

Because cavemen didn't exist yet!
